MDAA wishes to thank Master Gardners, Debbie Woodruff, Donna Britt, Natalie Peeler and Carrie Hodges for using their time and talent to plan and execute our new landscaping project.

They were assisted by students from Indianola Academy.

Mid-Delta Arts Association has been a vital part of Indianola and the Delta for over 28 years. There is a 15 member board of directors which handles the operations and business of MDAA, but the support of the community and surrounding area are crucial to our success.

Our patrons' memberships provide the funds for our productions, and we appreciate your financial contributions, but we need your active participation. We need carpenters, electricians, painters, musicians, seamstresses, artists, actors, directors, inventors, visionaries, and gofers. If you are not interested in being onstage, we need you for whatever you can do. There is no more valuable contribution than your time, and you can give as much or as little as you like.

Tell us how you would like to participate. You may leave this form at the desk in the lobby of the theater or mail it to MDAA, P.O. Box 126, Indianola, MS 38751. Live theater does not happen by itself. We need you, and the rewards are tremendous.
